Remote access by dialling-in

There are two ways of remote access: <with PIN-Code protection> or <without PIN-Code> according to selected Profil. ☞ P.7

Access without PIN-Code

Dial phone number of EXICALL® EN70. After selected ringing-cycles ☞ P.26 EXICALL® EN70 answers call and changes to handsfree connection. This change will be signaled by three Gong and the green "Speak"-Symbol (EN81-70). So a person inside the cabin will be informed about the established handsfree connection.

Access with PIN-Code

Dial number of EXICALL® EN70. After selected ringing-cycles ☞ P.26 EXICALL® EN70 answers call and asks for PIN (Default = 0000). If the correct PIN-Code is entered, EXICALL® EN70 changes to service-mode where the microphone and speaker remain inactive followed by the announcement "to stop prees 0, to speak press 1".

With key **1** you can change to handsfree-connection. This change will be signaled by three Gong and the green "Speak"-Symbol (EN81-70). So a person inside the cabin will be informed about the established handsfree connection.

Special: Two step dialling-in

Dial phone number of EXICALL® EN70. Let it ring two tmied and hang-up. Wiat for 20 seconds and re-dial phone number. After selected ringing-cycles ☞ P.26 EXICALL® EN70 answers call!
